How to find and join PET site

1. Goto https://scholar.vt.edu/portal
2. Logon with PID and PID password
3. Click on “My Workspace” in the top right
4. Click on “Membership” on the left pane
5. In the gray banner at the top of the page click on “Joinable Sites”
6. Search for “Paul E. Torgersen Research Competition” and join site by clicking “Join Site”

Once you have joined PET site

1. Review available resources by clicking the "Resources" tab on the left. -please read the supporting documents carefully to get the detailed description of the program
2. Submit your application through the "Drop Box". If you can see your application in your dropbox, it has been submitted successfully.
3. You can modify your submitted application up until the deadline.
4. After the deadline, please continue to check the "Announcement" for evaluation progress.
5. When the presentation schedule has been defined, it will list your involvement whether it is to present a poster, make a presentation or if you have not been selected for the competition.
